

MEN'S SOFTSHELL • SIZE GUIDE

Find the right size for your softshell

HOW TO MEASURE YOURSELF

1. **Chest:** with your arms relaxed at your sides, measure around the fullest part of your chest, passing under your arms.
2. **Hip:** stand with your feet hip-width apart and measure around the widest part of your hips.

SIZE CHART

SIZE	CHEST (CM)	HIP (CM)
M	98 - 102	96 - 102
L	102 - 109	102 - 108
XL	109 - 115	108 - 114
2XL	115 - 121	114 - 120
3XL	121 - 127	120 - 126
4XL	127 - 133	126 - 132

Between two sizes? Choose the size that matches your largest body measurement for a comfortable fit. Prefer a closer, more fitted look? You can size down — just keep in mind the garment will fit more snugly.
